Some UWF units have only a few official unit officers, so these dedicated women in faith may serve in more than one capacity. For example, one member may serve as both secretary and treasurer. Your unit may not have a designated Program Resources Coordinator, especially if you do not have a UWF Reading

Program, but almost certainly there is an officer who also takes responsibility for ordering *response* magazine, the **Program Resource**, **Daily Prayer Guide**, resources for **mission u**, or downloading materials from the uwfaith.org website . As your District PRC, I want to support, inform and work with that person this year. I will be contacting each unit in the next few weeks to ask who is taking care of these duties and to see how I can help. I look forward to getting in touch with you or you can contact me at any time: gayparks@att.net or 615 491-1657.
